Contact: Patrick Gequerdo at 630-383-1453 or bearfan4peace@yahoo.com

The purpose of Junior Achievement (JA) is to inspire and prepare young people to succeed in a global economy with an introduction to financial literacy, social studies, and economic principles. JA motivates students to begin dreaming about their future in the world.

JA programs are taught by volunteers trained in the Junior Achievement curriculum.

PTA is offering six JA classes – one for each grade (Kindergarten through 5th grade). Program materials are based on age-appropriate skills and information. Each session includes games, discussion, and interactive learning. PTA will provide a simple snack to students before their class.

Only the first 25 students per grade level can be in the Club. In the event that more than the maximum number of students sign-up, their names will be put on the waiting list. (A minimum of ten students is required at each grade level to run the program.)

PTA After-school Junior Achievement Club Registration (November 3, 17, 24, December 1, 8, 2009)
