Janan Szurek, Principal

Dear Parent/Guardian,

Parents are their children's first and most important teachers. We value your role in working to help your child achieve high academic standards. The following is an outline of some of the ways that we can together build and maintain a strong home-school partnership to share the responsibility of supporting your child's learning.

School's Responsibility:

- Provide high quality curriculum and learning materials
- Provide parents with assistance in understanding academic achievement standards and assessments and how to monitor student progress
- Provide opportunities for ongoing communication between parents and teachers through:
 1. Annual Parent-Teacher Conferences
 2. Frequent reports regarding student progress
 3. Opportunities to talk with staff, volunteer in class, and observe classroom activities

Parent's Responsibility:

- Encourage your child to attend school regularly
- Encourage your child to show positive school behavior
- Review your child's homework
- Monitor television, computer, and video game use to encourage positive use of your child's extracurricular time
- Volunteer in your child's school and classroom if time or schedule permits
- Attend parent-teacher conferences and participate, when appropriate, in decisions relating to the education of your child

Please review this School-Parent Compact with your child, sign and return the bottom portion to school. This School-Parent Compact may be discussed with you during a parent-teacher conference as it relates to your child's school progress.

Thank you for your support and involvement in your child's education. Please contact the person listed below for more information.
