

Many parents like to have children involved in classes or extra-curricular activities outside of school because of the value they have in creating well-rounded attitudes and skills. But classes can be expensive and it might be impossible to drive kids all around town to get there. PTA would like to begin offering free or inexpensive programs after-school. Cooking or karate, cheerleading or art, Junior Achievement, acting, Save our Planet...the possibilities are endless! If you would like to help coordinate after-school programs, if you have ideas, or if you would like to teach a program once a week, for a month, we can find a way to make it happen. Please contact the PTA at georgetownPTA.ipisd@gmail.com to discuss your interest.
