

Dads, Grand-dads, Stepdads, Uncle-dads, Just-like-a-Dads...this opportunity is for you! Georgetown would like to start a DOGS (Dads of Great Students) group. We need your strong arms and big hearts to be positive male role models in our school. Plan a chili cook-off, landscape the courtyard, be a presence on the playground, coordinate a field trip to your office, sponsor a sports clinic... have fun! Kids need to see that caring and being involved in school isn't just a 'mom thing.' When dads step up, children notice. If you want to see your child succeed, you're already one of the DOGS – so drop us a line to learn more at georgetownPTA.ipisd@gmail.com.
