

How much wrapping paper can you truly use in one year?! But let's face reality – in order to do the important work of the PTA, we need to raise money. We could ask businesses for donations; we could sponsor a school walk-a-thon; we could do bake sales. We could do ten, little fundraising events...or we could buy more wrapping paper and candles! What we can't do is not fund the PTA. Without PTA, there are no holiday party snacks. Without PTA, there is no subsidy pricing for children's field trips. Without PTA, there is no Georgetown Spiritwear, or Ice Cream Social, or 5th grade graduation lunch. Please step forward to participate in this critical committee effort. Whether you spend one hour a month, or 20, every dollar we raise goes right back to our kids. Send us an email at georgetownPTA.ipds@gmail.com if you can help.
