

This one-time activity will be on Monday, August 17th. The Social is a chance for students to drop off their school supplies, see their new classroom, meet their new teacher, and reconnect with old friends (or to make new ones!). The Coordinator will: make arrangements to get ice cream and paper goods (PTA pays for everything!), organize volunteers, and help staff the ice cream and PTA Spiritwear tables during the event (12-12.45pm). The time commitment is approximately four hours over a couple days – getting supplies, setting up the table, calling volunteers who have expressed interest in helping, and passing out ice cream to happy children. If you'd like to volunteer, please send an email to [georgetownPTA.ipisd@gmail.com](mailto:georgetownPTA.ipisd@gmail.com).
