

Teachers are like icebergs...the part you can see is already impressive enough, but there is so much going on below the water line that no one is even aware of! Our teachers and staff are passionate about opening the world to our children. Their jobs are so critical and so exhausting. Let's show them how much we appreciate them. PTA would like to sponsor a monthly activity to show gratitude for our teachers; some ideas may be more detailed than others, and you may have some wonderful ideas of your own; but on average, you might expect to spend about four hours preparing for and delivering little thank you projects. The first project is in August! If you would like to become part of this fun committee, please let us know at georgetownPTA.ipds@gmail.com.
