

HELP, FIELD DAY VOLUNTEERS NEEDED !

Dear Parents,

On **May 31, 2012**, Georgetown students will be involved in the all-important Field Day. Volunteers are needed for this event to be successful and enjoyable for all students. At this time we are looking for parents / relatives / older siblings over the age of 18 who might be interested in helping out during this event. It is recommended that non-school age children not attend the event with the volunteer, if possible. Anytime you could spare would be appreciated from Georgetown students. Thank you for helping and please return this form as soon as possible before May 25th or contact Mr. Griffin at (630)375-3473 with your availability.

I am willing to help out during the following Field Day times:

9:25 am – 10:40 am

10:55 am -12:10 pm

1:55 pm -3:10 pm
