

Spicy Pickle restaurants serve high quality meats and fine Italian artisan breads, along with a wide choice of ten different cheeses, twenty-one different toppings, and fifteen proprietary spreads to create healthy and delicious panini and sub sandwiches with flavors from around the world. There are over 150,000 delicious sandwich combinations for you to create, along with eight specialty panini sandwiches that have become favorites of our customers. We also boast the world's best spicy pickle. Spicy Pickle serves the fast growing "fast casual" market where customers demand more than "fast food," but without the price point of "casual dining". The hallmark of a Spicy Pickle restaurant is quality, service and an enjoyable atmosphere. Order at the counter, take a seat, enjoy the fun and relaxed atmosphere, and let the staff do what they do best, service.
