

The Wheatland Athletic Association is a non-profit parent volunteer organization which provides youth athletic programs to all residents of the District 204 school community serving Naperville, Aurora, IL and the surrounding areas. WAA was founded in 1977 to provide T-Ball for 60 children. Today we have over 15,000 participants and offer a variety of programs for children ages 5 – 18 as well as adult programs. WAA...where the fun never ends.
